**Note:** The exemption is only effective through June of 2008 and it is the responsibility of the property owner to re-apply.

In addition to the fee and documentation required above, for exemptions to be issued to residents residing in the Valley Region (unincorporated areas of Upland, Chino, Fontana, San Bernardino, Muscoy, Mentone, Colton, Rialto, etc.), residents are required to pre-pay the disposal fee of \$85.14 in order to receive a pre-paid disposal card that will allow the resident to dispose of household trash at a County owned landfill or transfer station. For information on the landfill/transfer station nearest to your residence, call 800-722-8004. (For residents of the Mountain Region, the disposal fee is collected on the annual property tax bill, and therefore these residents are not required to pre-pay the disposal fee.)

*I understand that San Bernardino County Code Section 33.0805. Refuse Removal requires that all waste, which contains Garbage produced or accumulated in or about a residence, shall be removed from the premises at least once every seven (7) days to an approved Solid Waste Facility. In addition, I understand that all exemptions are conditional and that County Code Enforcement Officers may inspect my property to ensure proper visual and sanitary storage of trash or, if applicable, to ensure that my property is vacant. I also understand that valid complaints from my neighbors regarding the storage of trash on my property or that my property is not vacant will result in the immediate loss of my exemption status. I certify under penalty of perjury that all waste from the premises will be properly handled and disposed of as described in sections 1 and 2 and as required above. I understand that as a condition of the continuation of this exemption, I or my representative must re-apply prior to July 1, 2008. I understand that, should it be approved, the County, for good cause, may revoke the exemption.*
